Dear Real Estate Broker,

Whether your office is in Clatsop County, OR or Pacific County, WA, we want you to know Rest Assured is partnering with real estate brokers to offer exclusive watch services available to you with no annual contracts.

As we all know, life on the coast has been a little chaotic lately and we hope to be able to help you protect your client's property for better sales results.

- **Signage & Literature Replacement Services** – Sign placement & maintenance as well as filling flyer boxes included with every property.
- **Walk Services** – Turn off/on lights, confirm fireplace shut offs or anything another broker might have missed while showing the home.
- **Catch storm, animal & leak damage early** – Small problems can swiftly turn into larger and more costly repairs for your client.
- **Deter vagrancy and property damage to vacant properties** – Keeping regular visits to the home is less appealing to those who think they can just make themselves at home (in someone else's home) with no consequences.

Of course, if your client wants a more comprehensive plan, we would be happy to work with them, but this plan is exclusively for you. Pricing is \$150/month per broker for weekly service. And as an added bonus, if your entire brokerage utilizes services we offer a 20% discount (\$120/month/broker) and there is never an annual contract. Please visit our website at <https://www.restassuredhomewatch.com/brokers> or call us at 360.214.0950 with any questions. We look forward to serving you.

Sincerely,  
Rest Assured Home Watch
